Prayer Intentions For The Remainder of This Month:

19th - *"As we celebrate Father's Day, we pray for all fathers who are expecting a child. That they would find peace in their changing circumstance and would be a source of support for the child's mother as they prepare for their child to enter the world."*

26th - *"We pray for all unborn children diagnosed with disabilities, we pray for protection for them and their mothers from the pressures of society to have an abortion, and that they would instead experience overwhelming support by all who surround them."*
